Do you ever dream of living in a house with a slide? Or you can skate inside your house? If so, you're not alone. Let's take a look at the following houses.

Slide House, Japan

There are stairs and a slide in the house. You can slide all the way down to the first floor from the top of the house. You can choose either to take the stairs or the slide when you want to go downstairs.

Skateboard House, the USA

There are three parts in this house. The first one includes the living room, dining area, and kitchen. The second one includes a bedroom and bathroom. The third one includes a skateboard practice room. You can skate in each part of the house. And guess what! You can even skate on the furniture. In this house, you can skate on any areas and surfaces, indoors and outdoors.
