Do you know how to grow vegetables on a car?  
 Some people are doing it now!

From 2019 to 2022, Covid 19 keeps people at home, and that is a big problem for taxi drivers in Thailand. For example, taxi drivers cannot find any visitors in the streets, and their taxis are not useful at all. Then, Taxi Garage, the company of taxi, turns those taxis to gardens for growing vegetables. The vegetables on the top of taxis can feed the taxi drivers, and they can sell them in the markets. The boss of Taxi Garage tells people, "I have no choice. This is the only thing I can do. I hope people around the world can visit Thailand again."
